Questions to guide your group

Why do you need to tell people about your topic?
(Links to an essential question)

What do you need to tell them about your topic?
Are there certain parts of information that you could
organise the podcast into chapters?
What could be some headings?(Good for chapters)

What do you need to find out and what do you know about?

*Remember this is not the only podcast you will do
so everyone will get to have a turn at the different jobs.
The best podcast will be made by the group who gets along
the best. You need to give and not always have things
your way for the sake of the group.*
